the Ind Cl Dy 7th May 1923 as intimated in the Residents letter of 8th Sept 23. The second of these conditions provides for the reversion of the site to the Commt if the buildings are not used for the purpose intended, but this does not authorize resumption of the site with the buildings thereon, if any of the Parishat fails to fulfil the first condition in regard to the erection of the buildings in 5 years. It therefore seems to be necessary to impose these as a third condition and ask the Ind Cl to pass a resolution to that effect and obtain the consent of the Parishat also to it
